Incheon's Response Measures

- **Conduct epidemiological survey and complete disinfection related to the newly infected immediately after confirming the cases**
- **Suspend group training programs at insurance companies, etc. and inspect and improve the working conditions of call centers**
- **Support disinfection for facilities such as private educational institutes and ensure flawless prevention measures in public-use facilities (Internet cafes, study cafes)**

**If you are under self-quarantine,
please follow the guidelines of the medical team.
If you have any suspected symptoms,
please call 1339, 119, 032-120 or consult with local health center first.**
