Confirmed cases	Recovered cases	Contact cases	Under self-quarantine
40	8	414(-25)	485(-25)

*Incl. recovered cases

*Under testing: 251 (-14)

Incheon's Response Measures

- Promote 'Social Distancing' at crowded places such as private educational institutes and studios, and check whether it is properly practiced
- Informed religious facilities offering Sunday worship services on March 22, on the recommendations for preventing COVID-19 and check if they were properly followed (1,715 facilities)
- Provide Emergency Business Stabilization Funds for micro-enterprises and SMEs (3,032 cases worth KRW 110.7 billion)
- Promote the Disinfection Responsibility System for 663 living facilities used by the socially vulnerable in order to prevent mass infections

If you are under self-quarantine or a contact case,
please follow the guidelines of medical professionals.
If you have any suspected symptoms,
please call 1339, 119, 032-120 or consult with local health center first.
