

COVID-19 Responses Incheon Daily Report

Friday, 28 February 2020

New Information

- **Two new confirmed cases**

4th case (Male, aged 65, Bupyeong-dong, Bupyeong-gu)

- A co-worker of the confirmed patient in Yeongdeungpo-gu, Seoul
- Now under quarantine at Inha University Hospital

5th case (Female, aged 29, Gajeong-dong, Seo-gu)

- A staff of clothing store in Seoul where three other confirmed cases occurred
- Now under quarantine at Incheon Medical Center

- **Tested negative**

All four family members including the spouse of the confirmed patient in Yeongdeungpo-gu (an Incheon citizen)

*Even with a negative test result, all those who had contact with a confirmed-case will be tested again after 14 days of self-quarantine.

Statistics (09:00, 28 February)

Confirmed cases	Contact cases	Under testing	Under self-quarantine
5 (Δ2)	99 (▽22)	519 (Δ32)	15 (▽1)

Incheon's Response Measures

- Close and disinfect the elementary school (Michuhol-gu) where the spouse of the infected in Yeongdeungpo-gu works
- Run 12 government-designated 'Public Relief Hospitals' that set up a separate clinic for patients with respiratory symptoms
- Have acquired the list of 1,951 Shincheonji students in Incheon with the survey on 900 of them being conducted
- Comprehensively conduct specimen tests on all Shincheonji members and students in Incheon

In crowded places, please thoroughly comply with preventive measures.
If you have any suspected symptoms,
please call 1339, 119, 032-120 or consult with local health center first.
